Facts & Figures

ARRIVING BY CAR

The Hotel Schweizerhof is located in the centre of Lenzerheide, directly across from the post office. Since the hotel unfortunately does not have its own drive-up entrance, we recommend that (coming from Chur) you drive past Hotel Schweizerhof and turn right after about ca. 100 metres. Following the parking signs for Hotel Schweizerhof, you can leave your car in one of the hotel's outdoor parking spaces. On the right hand side next to the hotel, take the exterior stairs leading up to the main street and you will arrive at the hotel entrance and reception.

RESERVATION OF AN UNDERGROUND PARKING SPACE

You can make an advance reservation for one of the hotel's underground parking spaces available to guests subject to charge. For these spaces, you will first need to drive to the outdoor car park behind the hotel. Our staff at the reception will be glad to explain how to get to your reserved underground parking space.

OUTDOOR PARKING

We have some 50 outdoor parking spaces available to guests at no charge.

ARRIVAL AND DEPARTURE TIMES

Our rooms are available from 16.00 on the day of arrival. On the day of departure, we kindly ask you to vacate your room by 11.00 so it can be cleaned. Of course, you are welcome to use our wellness area should you arrive before your room is ready as well as after check out on the day of departure. Simply ask at the welcome desk of the BergSpa and you will be given a guest card for use of the facilities.

FEATURES OF BUDGET ROOMS

Our twelve **Budget rooms** (ca. 25 m²) with separate shower/WC are equipped with a flat screen TV, radio, safe as well as a minibar with mineral water.

FEATURES OF ALPINE CHIC AND NOSTALGIA ROOMS

In the 30 spacious **Alpine Chic rooms** (40 m²), a translucent larch wood wall divides the bath area with large bathtub and rain shower from the sleeping and living area. The toilet is separate. All Alpine Chic rooms have a large balcony with a wooden bench.

In our 32 **Nostalgia rooms** (25-30 m²) in the building from the fin de siècle, the bath area with bath/shower/WC is fully divided from the sleeping and living area.

Minibar, flat screen TV, stereo system and safe are included in the furnishings of our Alpine Chic and Nostalgia rooms. Both room categories are equipped with direct ADSL connection that guests may use free of charge. Network cables are available at the reception. In the Alpine Chic rooms, a large complimentary selection of exclusive teas is provided for you to enjoy.

FEATURES OF APARTMENTS

Our ten apartments offer a spacious living area with hotel service. The apartments with separate bath incl. shower and WC feature a large minibar/refrigerator, a variety of different teas, a flat screen TV, a stereo system and a safe.
