

Good to know...

Facts & Figures

Arrival

Hotel Schweizerhof is located in the centre of Lenzerheide, just opposite the Post Office. Unfortunately we have no driveway, so if you are arriving from the direction of Chur we advise you to drive past the hotel and turn right after about 100 metres, then follow the signs to the Hotel Schweizerhof car park. You can park your car in one of the hotel's open-air parking spaces. A flight of steps will then take you up to the right of the hotel's main entrance and reception on the Hauptstrasse (main street of the village). Our porters will bring your luggage up to your room.

Reserving a space in the underground car park

You can reserve a space in advance in our underground car park subject to a fee. But even if you have done so, you should still initially drive to the car park behind the hotel. Reception will then explain how to get to your reserved space in the underground car park.

Open-air parking spaces

We have about fifty of these, and they are available to you free of charge. First come, first served.

Arrival and departure times

Your room will be ready for you by 4 p.m. at the latest. We ask you to vacate your room by 11 a.m. on your day of departure to allow time for cleaning. You are of course welcome to use our spa area before you check into your room and for the whole of the day of your departure. Please go to the BergSpa Welcome Desk, where you will be given a guest ticket.

Budget rooms

Our 12 budget rooms (approx. 25 m²) with separate shower/WC are equipped with a flat-screen TV, radio, safe and a minibar with mineral water. Free WiFi is provided.

Alpenchic and Nostalgic rooms

In our 30 spacious Alpenchic rooms [40 m²], the wet area – with a rain shower and a generously proportioned bathtub – is separated from the living area by a translucent larch wall. There is a separate toilet. All our Alpenchic rooms have a large balcony with a wooden bench (loungers are also available).

Our 32 Nostalgic rooms [25-30 m²] are all in a building that dates back to 1912. The wet area, with a bath, shower and WC, is entirely separate from the living area.

The basic fit-out of all our Alpenchic and Nostalgic rooms comprises a minibar, flat-screen TV, stereo system and a safe. Free Wifi is available. A wide selection of exclusive teas is provided free of charge in the Alpenchic rooms.

Apartments

Our six apartments offer stylish living with a hotel service. In the apartments – each with an en-suite bathroom featuring a shower and WC – you will find a roomy minibar refrigerator, a wide selection of teas, a flat-screen TV, a stereo system and a safe. The kitchens in the apartments are not available for use. The apartments all belong to different owners, so their décor is individual: it does not conform to the style of the hotel rooms. For this reason there is no Wifi installed in the apartments.

Restaurant reservations

Tables are reserved for our half-board guests in one of our restaurants between 6 p.m. and 9 p.m. every day. If you have booked for bed and breakfast, we advise calling Reception as early as possible to book a table for dinner in the restaurant of your choice.

Allergies

Our bed linen is suitable for allergy-sufferers. Please let us know before your arrival if you suffer from allergies (if you are lactose- or gluten-intolerant, for example), so that we can serve you food that meets your needs and buy in the produce you need.

The price also includes...

the use of our 1,500 m² spa with hammam (450 m²) and a modern sauna (250 m²), Kinesis (Technogym exercise machines), a separate family bath area (32°C) with a steam bath and children's paddling pool (children aged 14 and over are welcome in the hammam). The neighbouring Lenzerhorn hotel has a swimming pool (28°C) with a counter-current, and a daily activity programme (yoga, Pilates, aquarobics etc.) – together with cultural events for young and old in the peak season.

Spa reservations

We strongly advise you to book your pampering session early, otherwise the slot you want may not be available. A few days in advance would be ideal.

Our BergSpa team is at your disposal every day between 10 a.m. and 8.30 p.m.
